## STORY

# STICKBIRD

Will Bluey, Bingo (and Dad) get good at throwing?

1

Bluey and Bingo are having fun at the beach. Mum watches them throw sticks... but not very far! "Who taught you kids how to throw?" she laughs. "No one," Bluey replies. "You want to handle this?" Mum asks Dad, but he's not listening and thinking about something else.

2

"Come on, kids. I'll teach you how to throw," Mum says, and sets up a target for them to aim at.

**STAND SIDE ON,  
LIKE YOU'RE ON A  
SKATEBOARD...**

**AIM WITH THIS  
FINGER,  
LEAN ON YOUR  
BACK FOOT...**

**BEND YOUR  
KNEES,  
GET  
COMFY...**

**THEN  
YOU'RE  
GONNA...  
SWAP!**

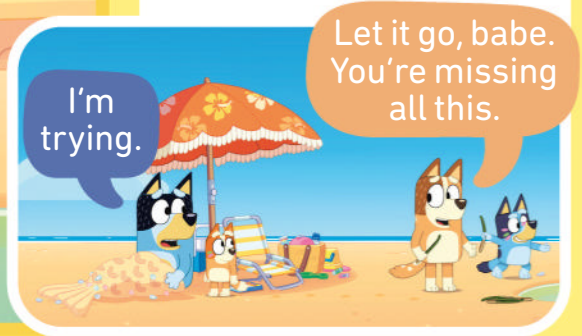

The girls give it a go, but it's tricky!

3 "Why do we have to learn to throw properly?" asks Bingo. "So you can throw things really far," says Mum.

Bingo wants better sticks to throw with. "Dad, race me to that stick! Dad? Dad!" But Dad's still thinking about something else. "Oh, sorry mate. What was that?" he asks.

4 Dad shakes himself off and races Bingo down the beach. They find a cool looking stick that looks like a bird's head. "Can we make a stickbird?" Bingo asks. "Yeah, righto," Dad says, and they build stickbird's sandy body and leafy feathers. Finally, they add its stick head. It's beautiful!

5 They need to find another stick for Bingo to practise with...

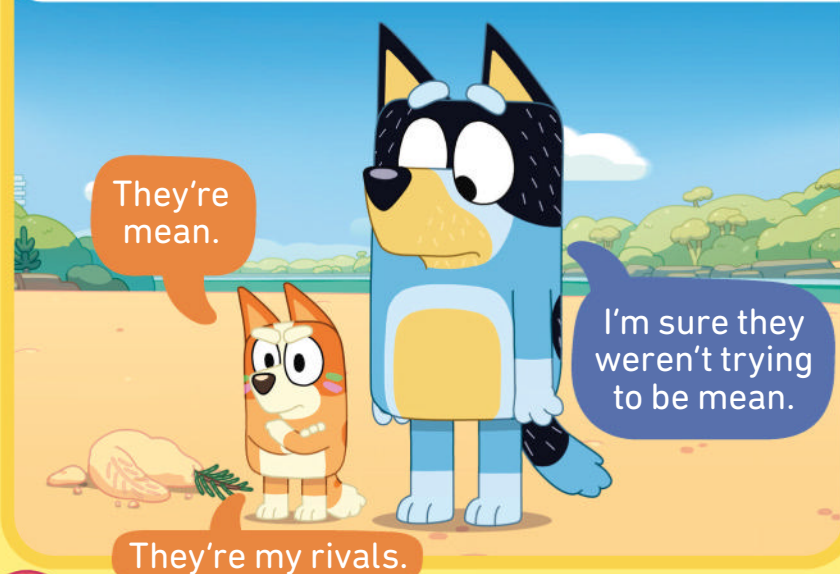

But while they're collecting sticks, a kiddo grabs stickbird's head and runs off with it.

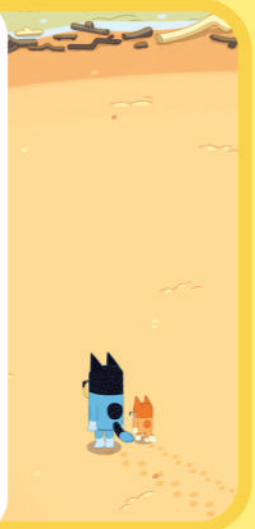

Stickbird's sandy body and leafy feathers crumble. "Oh no," says Dad.

6

Bingo's upset. "They broke stickbird," she says. "I know," Dad says. "Why would they do that?" Bingo asks. "Well, they probably just wanted the stick. They wouldn't have known we'd just made it," Dad tells her.

"I really liked stickbird," Bingo says. "Yeah, me too. He was beautiful. But when you put something beautiful out into the world, it's no longer yours, really," Dad tells her.

7

Back at throwing practice, Bluey hits the target! "Woo! I'm gonna tell Dad!" she squeals.

Dad is helping Bingo find a new stickbird head, but she's still upset. "Come on, cheer up, Bingo. You're missing all this," Dad says, as Bluey joins them. "Bingo's a bit upset at the moment," Dad tells Bluey. "I'm upset AND angry," Bingo corrects him.

I can show you a trick my buddy Mia taught me, if you like. It's for **after** you're upset and angry.

OK. So... you have to collect all the upset and all the angry...

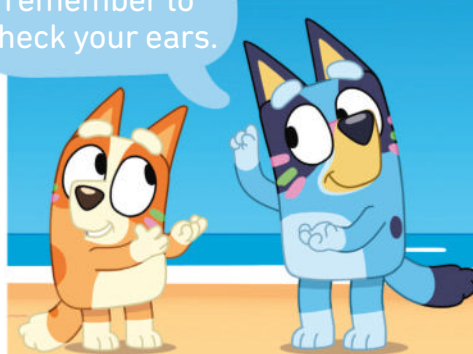

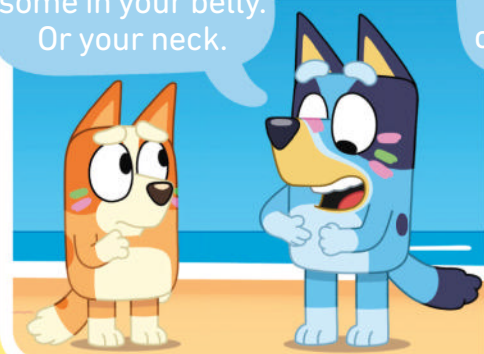

How do I collect upset and angry?

You just feel where it is and go get it!

There's usually some in your belly. Or your neck.

And ALWAYS remember to check your ears.

teeHee

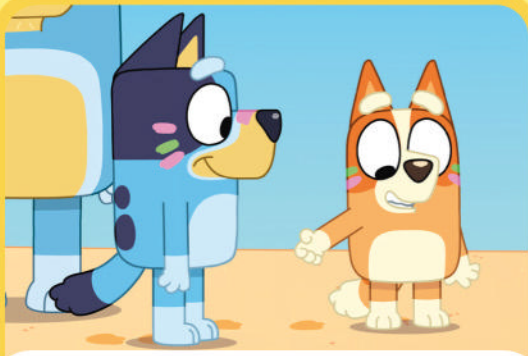

6

8

Now that Bingo's got all that upset and angry in her hands, it's time to throw it away. Bluey helps Bingo remember how Mum taught them to throw things really far...

**STAND SIDWAYS, LIKE ON A SKATEBOARD.**

**BEND YOUR KNEES. GET COMFY.**

**AIM WITH THIS ARM...**

**...AND HUPPP!**

9

"Woahhh!" Bluey and Dad gasp as Bingo throws her angry and upset all the way out to sea – a million miles away. "Good throw!" says Dad.

"So how do you feel?" he asks. "GOOD!" Bingo smiles and they all cheer. "Thanks, Bluey!" says Bingo.

Dad gives the kids a headstart as they race back to Mum. But before he follows, he remembers what Bluey taught him. He collects all **his** upset and angry in his hands. He stands sideways, aims with his finger and throws it all the way out to sea. It lands in the ocean with a plop... a million miles away. "Here I come!" he shouts to the kids.

# Relax

Eeeee! Dad's turned the spa on in the fancy hotel bath!  
Take a close look at the piccie of Olympia and Melinda...

...then  
cover up the  
picture and  
answer the  
questions.

**1** What's in the picture frame on the wall?

**2** Is there a dunny in the piccie?

**3** Who's got a bubble beard? Bluey or Bingo?

**4** What's Dad doing?

**5** How many sinkies are on the stool?

**6** Which toy is peeking out of the bubbles?

**7** Do Bluey and Bingo look happy or bored?

**8** Did you spot Long Dog?

**Now uncover the picture.**  
**How did you do?**

**0-3** Relax... and try again!

**4-5** Good memory, kiddo!

**6-8** Wackadoo!  
Unbelieva-bubble!

## TOP TIP

See if your grown-up can answer **ALL** the questions (without peeking!).

# WHIRLPOOL

Snip, stick and spin your very own whirly whirlpool. Wheeeeeeee!

## YOU WILL NEED:

- textas (mainly blue)
- card
- scissors
- glue & Blu Tack
- a pencil
- a grown-up to help

**1** Ask your grown-up to snip out the bits and bobs on this page, then stick the pool to cardboard to make it a bit sturdier.

**2** Stick Bluey, Bingo and Chucky in the pool. Don't forget to doodle and add yourself too!

**3** You could use your blue textas to create swirly-whirly water patterns!

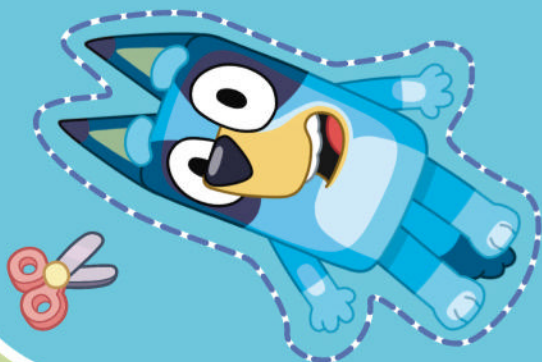

**4** Poke a pencil through the centre of the pool. Secure the point with sticky tack underneath. Then give it a spin to watch it whirl. Wheeeeeeee!

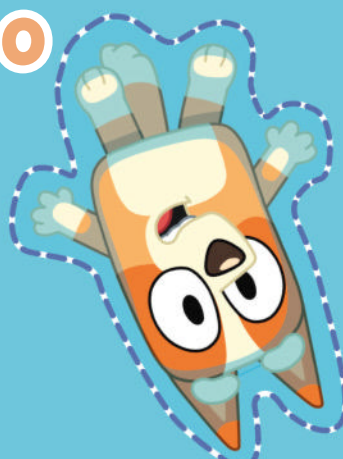

**5** Who's closest to you when it stops spinning? Make up some funny moves: if it's Bingo, do a frog jump; if it's Bluey, do a star jump; if it's Chucky, hop on one leg. What moves will you think up?

# Crafty Ice-CREAM CART

Mango, please.  
Extra big size.

## YOU WILL NEED:

- a big box
- 3 smaller boxes or tubs (to fit inside the big box!)
- paints, pencil, tape, & cardboard tubes
- tissue paper and old paper scraps
- a grown-up to help

What flavour are you getting?

**1** Grab your big box and paint it pink, white and blue. Then snip 3 holes in the top (big enough for your 3 smaller boxes to fit into).

**2** Slot the boxes into the big box – these are your ice-cream tubs! Fill them with crunched up or ripped up paper to look like ice-cream.

**3** Now you need a parasol to keep cool! Simply snip it out and attach a pencil as the stand.

**4** Cut out the ice-cream lady's cap and stick it to strips of paper long enough to go round your head.

**5** Roll up your cones and tape your pay machine to a box... you're ready for your first customer! Just serve up from your tubs into the cones or cups – double chocolate cup extra large? Gotta be done!

## TOP TIP

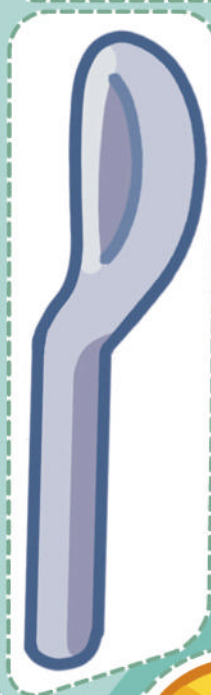

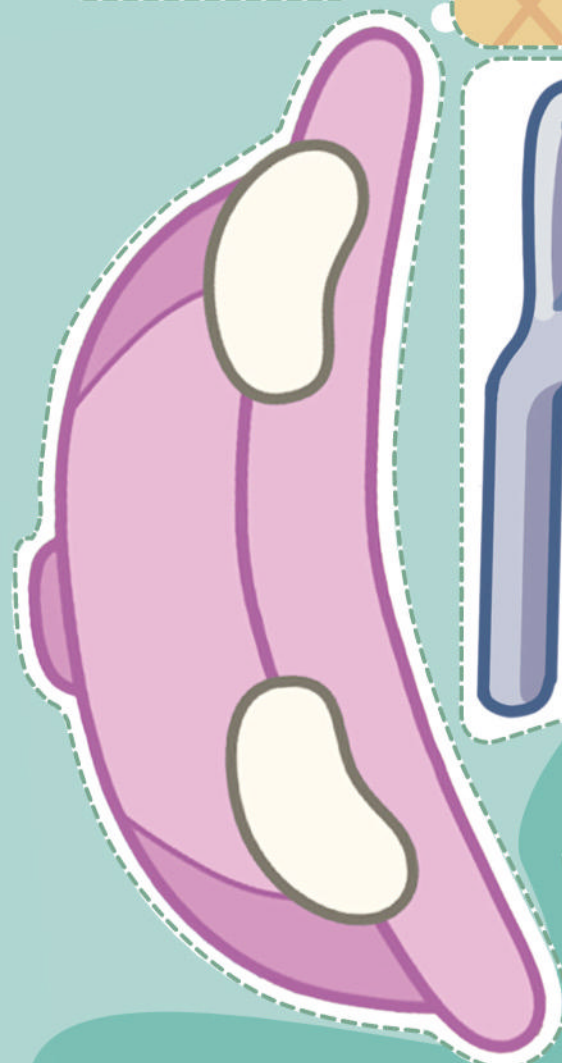

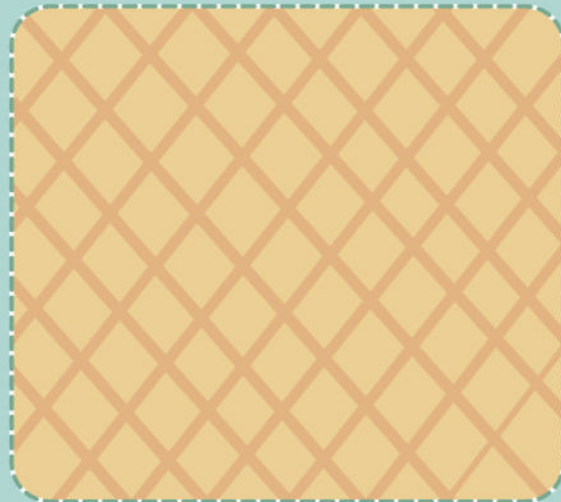

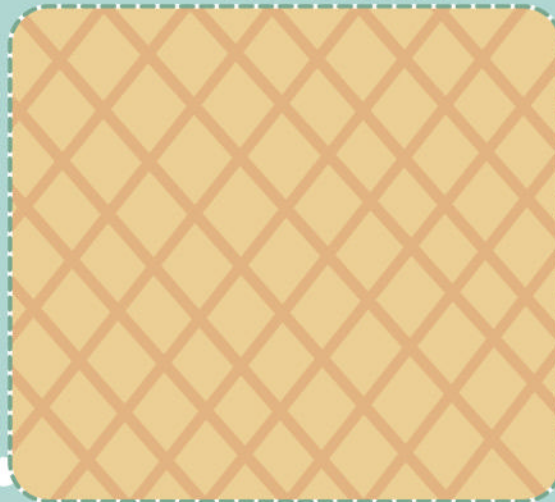

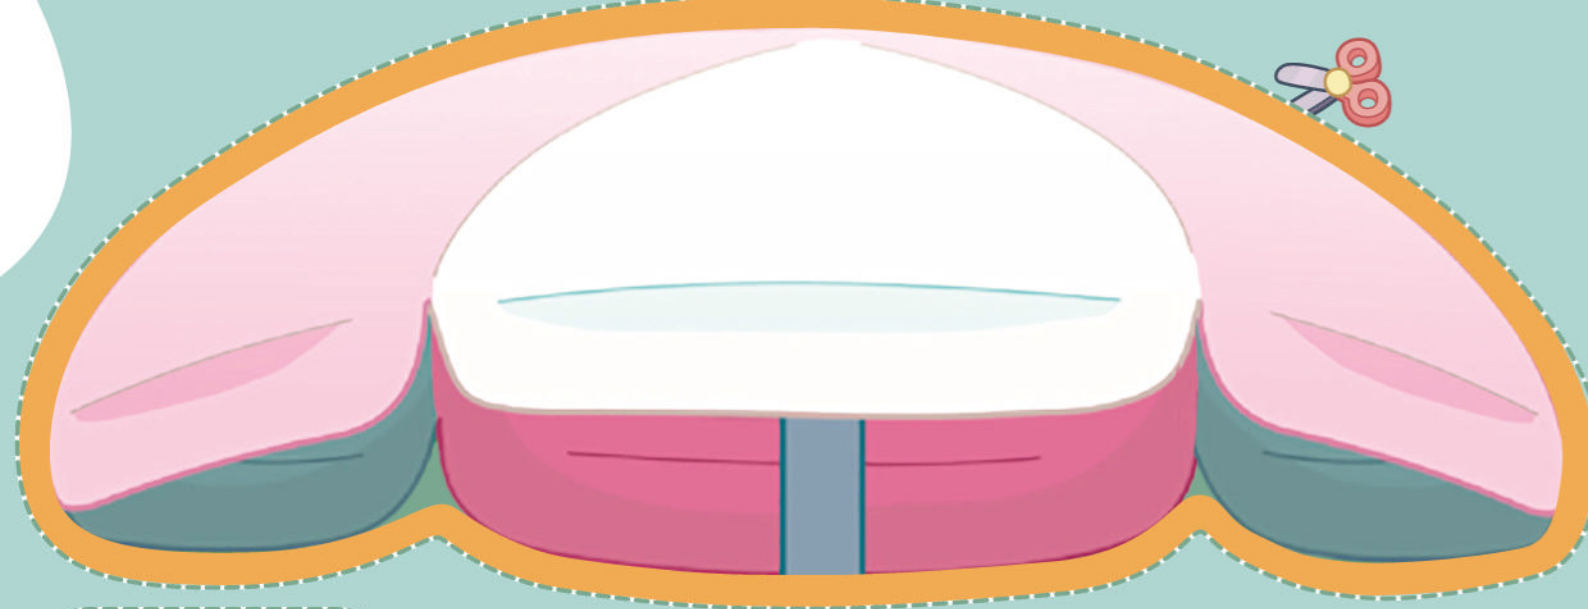

Make a stand for your ice-cream orders by cutting a cardboard roll in half. Make holes in top for the cones to sit in. You could use the other half of the roll to make your spoon sturdy!

Read before you snip  
& ask your grown-up to  
help with the cutting.

Make & photography by Lisa White.

Stick the ice-creams and tub to cardboard tubes to make them 3D!
